

# ACCESSORY

## Camera Cable

This 12-pin camera cable is used for connecting an XC camera to a DC-700/700CE camera adaptor.

CCXC- 12P02N (2 m)  
12P05N (5 m)  
12P10N (10 m)  
12P25N (25 m)

- Camera connection (12-pin/female)  
↔ DC-700 connection (12-pin/male)
- Shielded

## Tripod Adaptor

Use these adaptors to mount a camera on a tripod. Use the included screws to attach the adaptor to the camera.

The adaptors are threaded for commercially available tripods.

VCT-333I

- Material: ABS resin
- Insulated type
