- Number of songs in the music publishing catalog owned and administered as of March 31, 2015

Cautionary Statement

Statements made in this supplemental information with respect to Sony's current plans, estimates, strategies and beliefs and other statements that are not historical facts are forward-looking statements. Forward-looking statements include, but are not limited to, those statements using such words as "may," "will," "should," "plan," "expect," "anticipate," "estimate" and similar words, although some forward-looking statements are expressed differently. Sony cautions investors that a number of important risks and uncertainties could cause actual results to differ materially from those discussed in the forward-looking statements, and therefore investors should not place undue reliance on them. Investors also should not rely on any obligation of Sony to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Sony disclaims any such obligation.

Pictures Segment

■ Pictures Segment Aggregated U.S. Dollar Information

Management analyzes the results of Sony Pictures Entertainment Inc. ("SPE") in U.S. dollars, so discussion of certain portions of its results is specified as being on "a U.S. dollar basis." The underlying U.S. dollar aggregated results, which differ from the U.S. dollar convenience translation information presented in the earnings release, and the change in U.S. dollars, are described below. The underlying U.S. dollar aggregated results for Pictures are not reflected in Sony's consolidated financial statements and are not measured in accordance with Generally Accepted Accounting Principles in the U.S. ("U.S. GAAP"). Sony does not believe that these measures are a substitute for the U.S. GAAP measures. However, Sony believes that disclosing the underlying U.S. dollar aggregated results provides additional useful analytical information to investors regarding the operating performance of Sony and the Pictures segment.

(Million USD)
